by them.**

## ***Warranty Details***

All Faber toolboxes are guaranteed against faulty workmanship & materials for the life of the box. Should any defects arise Faber Toolboxes agree to repair or replace such defective part free of charge, provided the said product is returned & accompanied by proof of purchase and a letter detailing the nature of the defect. We are not responsible for freight charges.

This warranty excludes damage caused by misuse, mishandling in transit or normal wear & tear.

All Faber toolboxes should be cared for according to the care instructions located inside the lid on the upper left side. This will ensure years of trouble free service from your Faber toolbox.

Use of corrosive truck wash products will void warranty. It is recommended to use a ph neutral wash product.
